ATTENDANCE

GRADES K-8

The Board of Education recognizes that absenteeism is a hindrance to the efficient education of students. Realizing that punctuality and regularity of attendance is necessary for progress of a student at school, the board has adopted the following attendance policy. The parents, guardians, or other persons having charge and control of the child are held responsible for the child's school attendance.

All children between the ages of six and seventeen, both inclusive, are required to attend school under the provisions of TCA 49-6-3001. If a child begins school before age six and completes 30 days of Kindergarten, then he/she must be enrolled for the entire school year.

Ten (10) consecutive or fifteen (15) total unexcused absences during any semester renders a student ineligible to retain a driver's permit or license, or to obtain such if of age under the provisions of TCA 49-6-3017.

Absences

Absences shall be classified as either excused or unexcused as determined by the principal or his/her designee. Excused absences shall include:

1. Five (5) days per year verified by parent calls or notes.
2. Personal illness certified by a doctor's statement.
3. Death in the family.
4. Absence approved by principal in advance.
5. Religious observances.
6. Circumstances which in the judgment of the principal create emergencies over which the student has no control.

Extended absences, even with a certified doctor's statement will require homebound instruction.

The principal shall be responsible for ensuring that attendance is checked and reported daily for each class. Students are expected to be punctual in school attendance. It is very difficult for a student to join a class that is already in progress and benefit from the class. Any student arriving after the start of school must report to the office for a tardy slip.

Frequent tardiness will be treated as an attendance problem.

A student who leaves school will be counted absent from the classes missed. Parents are urged to schedule dental and medical or other appointments outside of school hours.

Tardiness and early dismissal absences are computed daily and can accumulate into days counted absent.

Make-up work for excused absences will be permitted. It is the responsibility of the student, and must be arranged immediately upon returning to school.

Other absences will be **UNEXCUSED** and student **WILL NOT** be allowed to make up work missed because of these absences.

A parent or doctor note must be submitted within five (5) school days of the student's returning to school for classes, otherwise the absence will be counted as an unexcused absence.

After five (5) days of unexcused absences, students will be reported to the attendance coordinator.

Late Arrivals / Early Dismissal

On the fifth unexcused tardy action, the accumulated actions will be converted to one (1) unexcused absence and recorded as a "Truant Action". This day will be added to any other unexcused absence days, and will result in reporting to the attendance coordinator when five (5) unexcused days are recorded. Should the "Truant Action" follow the first report to the attendance coordinator, the converted unexcused day will result in the next action as listed below..

Please note the above change – this will affect the below account of absences.

Attendance Procedure:

Action 1: 5 unexcused absences – Legal Notice (letter sent to parents)
(Form 1)

Action 2: 1 more unexcused absence – Truancy Contract Meeting – Student and parent must attend. Student will do a Truancy Contract Meeting one time in K-8 and one time in 9-12.
(Contract Meeting)

Action 3: 1 more unexcused absence – Truancy Board – Student will go before Truancy one time in their 13 years of education.
(Form 2)

Action 4: One more unexcused absence or the next step when others have been done – Court Petition (Juvenile Court)
(Form 3)

Attendance Records

Students' attendance records shall be given the same level of confidentiality as other student records. Authorized school officials for legitimate educational purposes only may have access to student information without the consent of the student or parent/guardian.

Administrative Policy

RELEASE DURING SCHOOL HOURS

The following procedure will be observed with regard to dismissal of students:

1. No student will leave school prior to regular dismissal hours, except with the approval of the principal and parent. Elementary students will be permitted to leave school prior to regular dismissal time only in the company of a parent, legal guardian, school employee, police officer, court officer, or a person designated in writing by the parent(s).
2. No student will be sent from the school during school hours to perform an errand or act as a messenger.
3. When dental and medical appointments cannot be scheduled outside of school hours, parent(s) must send a written request for dismissal or call for the student in person.
4. Children will be released only upon the request of the parent whom the court holds directly responsible for the child, or who is the parent or guardian registered on the school record.
5. No principal or teacher shall permit a change in the physical custody of a child at school unless:
 - (a) The person seeking custody of the child presents the school official with a certified copy of a valid court order from a Tennessee court designating the person who has custody of the child; and
 - (b) The person seeking custody gives the school official reasonable advance notice of his/her intent to take custody of the child at school.
6. High school students may be released for jobs and approved training at centers outside their home schools under regulations approved by the Board.
7. No student or group of students is to be excused from 7:45 a.m. to 3:00 p.m. for an extracurricular activity (selling ads for annuals, soliciting funds for any reasons, running errands, etc.)

Administrative Policy

INTERROGATIONS AND SEARCHES

Interrogations by School Personnel

Students may be questioned by teachers or principals about any matter pertaining to the operation of a school and/or the enforcement of its rules. Questioning must be conducted discreetly and under circumstances which will avoid unnecessary embarrassment to the student being questioned. Any student answering falsely, evasively or refusing to answer a proper question may be subject to disciplinary action, including suspension.

If a student is suspected or accused of any offense committed in a school during school hours or on school property at any time, the principal may interrogate the student, without the presence of parent(s) and without giving the student constitutional warnings.

Interrogations by Police

If the principal has requested assistance by the police department to investigate a crime involving his/her school, the police shall have permission to interrogate a student suspect in school during school hours. The principal shall first attempt to notify the parent(s)/guardian(s) or legal

custodians of the student of the intended interrogation unless circumstances require otherwise. The interrogation may proceed without the attendance of the parent (s)/guardian(s) or legal custodians. The principal or his/her designee shall be present during the interrogation.

The use of policewomen or female staff members is desirable in the interrogation of female students.

1. Evidence of any violation of the law;
2. Evidence of any violation of school rules or regulations or proper standards of student or faculty conduct;
3. Any object or substance which, because of its presence, presents an immediate danger of harm or illness to any person.

A student may be subject to physical search or a student's pocket, purse or other container may be required to be emptied because of the results of a locker search, or because of information received from a teacher, staff member or other student if such action is reasonable to the principal. All of the following standards of reasonableness shall be met:

SECTION 504 AND ADA GRIEVANCE PROCEDURES

The Board is committed to maintaining equitable employment/educational practices, services, programs and activities that are accessible and usable by qualified individuals with disabilities.

Definition

Section 504 of the Rehabilitation Act of 1973 provides that: No otherwise qualified individual with handicaps in the United States...solely by reason of his/her handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

Title II of the Americans with Disabilities Act, 1990 provides that: No otherwise qualified individual with a disability shall be discriminated against in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training and other terms, conditions and privileges of employment.

Coordinator

The Board shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under Americans with Disabilities Act (ADA) and Section 504, including any investigation of any complaint alleging non-compliance with the Acts or alleging any actions that would be prohibited by the Acts.

Notice

The Board shall make available the name, office address and telephone number of the ADA/Section 504 coordinator. The ADA coordinator is Ms. Lee Anne Strickland, 205 Oak Grove Road, Madisonville, Tennessee. (423) 442-2373.

Methods of initial and continuing notification may include the posting of notices, publication in newspapers and student and employee handbooks and distribution of memoranda or other written communications.

Complaint Procedure

The coordinator will hear ADA/Section 504 complaints. Complaints shall be submitted orally or in writing to the coordinator who will endeavor to accomplish prompt and equitable resolution of complaints alleging any action that would be prohibited by the ADA/Section 504. The coordinator will respond to all complaints within twenty (20) days with a written response as well as information on further grievance procedures that may be followed if the complaining party is not satisfied with the coordinator's proposed resolution.

Due Process Hearing Procedures

Section 504 of the Rehabilitation Act of 1973 provides the right to an impartial due process hearing if a parent wishes to contest any action of the school system with regard to a child's identification, evaluation, and placement under Section 504. If a parent/guardian requests a Section 504 hearing, the parent/guardian has the right to personally participate and to be represented at the hearing by an attorney or advocate to the parent's expense. Contested actions or omissions that are appropriate for a section 504 hearing should involve identification, evaluation, or placement issues involving a child who has or is believed to have a disability.

Written Request for Hearing

A parent/guardian who wishes to challenge an action or omission with regard to the identification, evaluation, or placement of a student who has or is believed to have a disability as defined by Section 504, shall make a written request for a due process hearing to the Section 504 coordinator. The written request must be made on a form provided through the Central Office.

Impartial Hearing Officer

The director of schools or his/her designee shall appoint an impartial hearing officer to preside over the hearing and issue a decision. Such appointment will be made within fifteen (15) days of the date of receipt of a request for a due process hearing. The hearing officer will be hired as an independent contractor at no expense to the parent. The hearing officer that is appointed shall not be a current employee of the school system and shall not be related to any member of the Board of Education. The hearing officer need not be an attorney but shall be familiar with the requirements of Section 504 and the hearing procedures under Section 504. The choice of an impartial hearing officer is final and may not be presented as an issue at the due process hearing since such an issue would not relate to the identification, evaluation, or placement of a disabled child under Section 504. If a parent/guardian disputes the impartiality of the appointed hearing officer, he/she may raise such issue in a review of the hearing officer's opinion by a court of competent jurisdiction or in a complaint to the Office for Civil Rights.

Office for Civil Rights
U.S. Department of Education
61 Forsyth St. S.W., Suite 19T10
Atlanta, GA 30303-8917
Telephone: 404-974-9406; TDD: 877-521-2172
Email: OCR.Atlanta@ed.gov

Scheduling of Hearing

The appointed hearing officer shall set a date for the hearing within fifteen (15) days of his/her appointment and provide this information in writing to the parent/guardian and the section 504 coordinator. The hearing shall take place at a mutually agreeable time and place.

Continuances

Upon a showing of good cause, the hearing officer, at his/her discretion may grant a continuance of the hearing date and set a new hearing date.

Legal Representation at Hearing

If a parent/guardian is represented by a licensed attorney at the due process hearing, he/she must inform the Section 504 coordinator and the appointed hearing officer of that fact, in writing, at least seven (7) calendar days prior to the hearing date, or the hearing can be continued upon the coordinator's request. *The school system shall not have legal representation at the hearing unless the parent provides notice that he/she will have legal representation.*

Pre-Hearing Conference

The hearing officer may order a Pre-Hearing Conference during which the parent/guardian or his/her representative will state and clarify the issues to be addressed at the hearing. The Pre-Hearing Conference will also serve to resolve preliminary matters, clarify jurisdictional issues, and answer the parties' questions regarding the hearing process. The Pre-Hearing Conference can be held via telephone or in person depending on the hearing officer's decision based on the convenience to both parties.

Dismissals

If, after the Pre-Hearing Conference, the hearing officer finds that the parent, as a matter of law, alleges and/or raises no factual claims or legal issues that come within his/her jurisdiction as a Section 504 hearing officer, he/she may dismiss the hearing and issue an order to that effect explaining the basis for such funding.

Hearing

The hearing shall be conducted in an informal, non-adversarial manner. The hearing shall be closed to the public unless the parent/guardian requests an open hearing. The hearing officer may reasonably limit testimony and introduction of exhibits for reasons or relevance.

Recording

Instead of a formal written transcript produced by a court reporter, the entire due process hearing will be video recorded. The school system shall provide a copy of the recording to the parent/guardian upon request. In order for an accurate recording to be made, the parties and witnesses shall introduce themselves at the beginning of their presentations. If a parent/guardian appeals the decision of the hearing officer to a court of competent jurisdiction, the school system shall prepare a written transcript of the hearing to be offered to the court as an exhibit.

Witnesses

Witnesses will present their information in narrative form, without the traditional question and answer format of legal proceedings. Cross-examination of witnesses will not be allowed, but a party may request that the hearing officer, at his/her discretion, ask a witness a certain question.

Format of Presentation

Each side will have an equal amount of time to present their positions as determined by the hearing officer. The parent/guardian will present his/her case first by making an opening statement outlining the issues, calling witnesses, and making a closing argument. The school system will present its side next. At the end of the school system's presentation, the parent/guardian may offer a short response. Each side may present personally or through their representatives.

Submission of Exhibits

As part of their presentations and at the discretion of the hearing officer, the parties may submit any reports, evaluation, correspondence, notes, or any other documents that may support their positions. Exhibits submitted to the hearing officer by either party must be marked. The hearing officer may, in the exercise of his/her discretion, reasonably limit the number of documents to be submitted for his/her review, as well as the number of witnesses and the length and/or scope of their presentations or statements.

Closing Arguments

The hearing officer may allow or request written closing arguments summarizing and characterizing the information presented at the hearing.

Decision

The hearing officer may make an oral ruling at the conclusion of the hearing or take the case under advisement and issue a written opinion. Such decision shall address all of the issues raised by the parent/guardian as well as any corrective actions, if any, the school system must take. Any issue or claim raised by the parent/guardian that is left unaddressed by the hearing officer in his/her decision will be deemed to have been denied. The decision must be issued within forty-

five (45) days after the date the Request for a Due Process Hearing is received by the district. The hearing officer may not award attorneys' fees as a part of the relief granted to a parent/guardian or the district.

Review Procedure/Appeal

If the parent/guardian is not satisfied by the decision of the hearing officer, he/she may seek review of the decision in a court of competent jurisdiction.

NOTIFICATION OF RIGHTS UNDER FERPA FOR ELEMENTARY AND SECONDARY INSTITUTIONS

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

- (1) The right to inspect and review the student's education records within 45 days of the day the District receives a request for access.
Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- (2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask Monroe County School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the District discloses educational records without consent to officials of another school district in which a student seeks to enroll. [Note: FERPA requires a school district to make a reasonable attempt to notify the student of the records request unless it states in its annual notification that it intends to forward records on request.]

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance, U.S. Department of Education, 400 Maryland Avenue, SW,
